I have a vast and varied experience, beginning with a 16-year active-duty career in the United States Navy where I served in many capacities including Avionics, Electronic Warfare, and Espionage systems. I did many tours overseas including having served at Danang Air Base, Vietnam. I then shifted gears and became trained and certified to work in the U.S. Navy's Counseling and Assistance Centers for the majority of my active-duty time. During this period, I was privileged to provide meaningful

and in-depth counseling and education to fellow service members struggling with many issues.

After leaving the military, I added several professional certifications as a counselor, instructor, and clinical supervisor and worked in several community counseling agencies. I eventually became a clinical director of counseling programs for criminal offenders and was on a county and state board. Additionally, I have volunteered as a Mentor with a local Veteran's court to provide guidance and direction to other fellow veterans.

Over the course of many years of study, I was ordained as a Messianic Jewish Rabbi in 2013 at Congregation Bet Shalom v'Emet in Fresno, California under the authority of Rabbi Amnon Shor. He is a native-born Israeli with dual citizenship here in the U.S. His knowledge of Hebrew, the Bible, and the many intricacies of Judaism is amazing. I was blessed to have had the opportunity to study and learn under such a great leader in the Messianic movement. If you ever have the opportunity to visit his congregation in Fresno, California, I personally guarantee you will be blessed beyond measure, challenged in your understanding of the Bible, and filled with a greater appreciation of the Jewish heritage of the faith in Messiah Yeshua. His website is www.betshalomfresno.org. Additionally, he is also on YouTube.
