
Foreword

In this book, my dear friend and a brother in the faith in Messiah Yeshua, is delving into the heart of the age old conflict between Messianic Judaism, Rabbinical Judaism, and Christianity. Rabbi Claude Scheiner is a great student of the Word of God, a scholar, and a prolific writer. These qualifications give Rabbi Scheiner the necessary tools needed to tackle such a challenging task.

I enjoyed reading every word in this great book and much appreciate the unique way the Rabbi slaughters and dissects the sacred cows.

An eye opener and a must read.
